

## Stay and Play Storytime

Engaging children in five simple but powerful activities every day can help them develop early literacy skills and get ready to read. These activities are *talking, singing, reading, writing, and playing*. Storytime at the Tulsa City-County Library is the perfect opportunity to engage in all five of these activities with your child. At storytime we read books, sing songs, talk, learn about letters, and play! Remember, for babies and toddlers, playing is learning! Join us for storytime and then stay after and enjoy games, toys and activities that foster critical early literacy skills.
